

**Maternal and Child Health
Director of the Office of Maternal and Infant Care
Operations Officer IV**

The Baltimore City Health Department is currently seeking a dynamic individual to direct the **Office of Maternal and Infant Care in the Bureau of Maternal and Child Health (MCH)**. This position is responsible for strategic planning and operational oversight of the Bureau's nurse home visiting and group-based programs for pregnant women, fathers, and infants. The program is a critical component of the B'more for Healthy Babies home visiting system and the Director will be required to maintain and expand partnerships with agencies in this system and enhance linkages to primary health care.

Minimum qualifications include a Bachelor's degree in Business Administration, Public Administration, Management or related field from an accredited college or university and at least eight years of experience in professional-level administrative, operations, or technical work or 10 years of progressively-increasing responsibilities, including 4 years supervisory experience. Preferred candidate is bilingual and has experience supervising clinicians. The salary range is \$69,600.00- \$121,700.00. Interested candidates should forward a cover letter and resume by **December 9, 2016** to:

Rebecca Dineen, Assistant Commissioner
